Host Chapter Responsibilities

- Scholarship for Honors in Action Service Project: Host chapters to research graffiti abatement and provide research to regional officers, who sort through the information and create a presentation. Deadline: 5/31/09
- Offer opportunities to present educational forums (3-4) to chapters throughout the region; coordinate.
- Offer opportunities to facilitate reflection sessions (3-4) to chapter advisors (may be co-facilitated with an officer or member) throughout the region; coordinate.
- Choose and arrange fellowship activity (activities) for Saturday night. A suggestion has been made that we might use the Student Union game room if it is open. Helen will check the room availability.

Chapters will use the transportation in which they arrived to travel to the service project location.
